

Paralela, designed by Spain's Nahrang Studio, is a modular system that transforms light into a tangible decorative element. It features illuminated borosilicate glass cylinders, connected by Nylon PA12 joints, creating a dynamic interplay of light and form. Available in horizontal and vertical pendants, as well as table, floor, and wall versions in various sizes, Paralela offers a versatile and harmonious lighting solution.

Materials: Glass, nylon PA12

Light Source: LED (led driver not included)
