

With the Manifesto collection, Axolight expresses its vision of light through design. Inspired by abstractionism and neoplasticism, this lamp stands out for its bold style and perfect aesthetic balance. "The project was born from a creative play of shapes, offering us the opportunity to experiment and develop new paths of light." (Timo Ripatti)

**Materials:** Metal

**Light Source:** LED (led driver included)

**CCT**

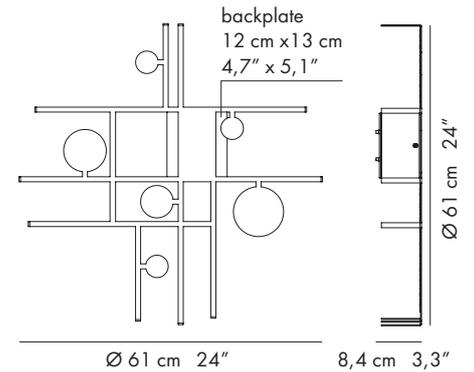

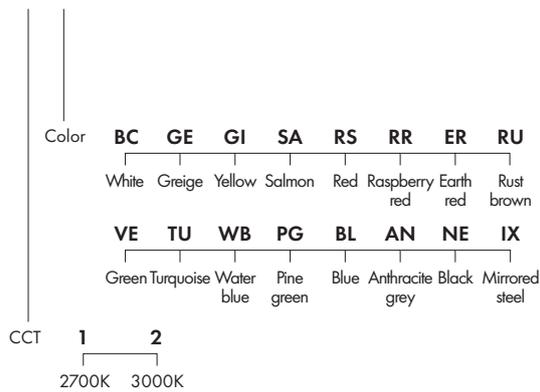

2700K \_ 1818 lm
