

Orchid is inspired by nature, transforming stems and buds into a refined design statement. Its light, like sun rays, combines focused beams with a soft, diffused glow, adding grace and sophistication to any space. Available in suspension, wall and ceiling versions, the collection offers elegant lighting solutions for any space.

**Materials:** Aluminum, steel

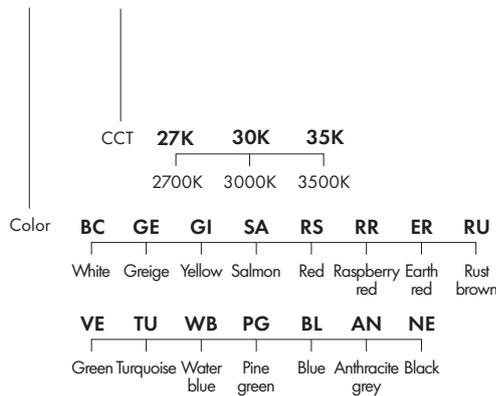

**Light Source:** LED (main voltage led source)

**CCT**

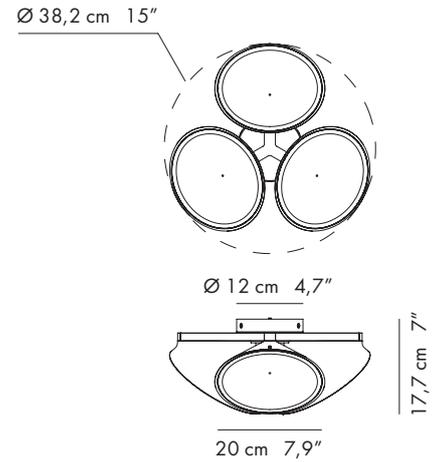

- 2700K \_ 3 X 1166 lm
- 3000K \_ 3 X 1254 lm
- 3500K \_ 3 X 1279 lm

**Code Construction**
